2. Purpose and legal basis of processing for which the data is intended

Personal data is processed for:

- a) Registration to Italian Network for Safety in Healthcare and its initiatives organised by Rossoevolution S.r.l. from May 2017 to December 2024

Personal data may only be processed with consent:

For the purposes set out in point a) and

In accordance with the protected categories stipulated in Art.9 of the regulation

3. The type of personal data

The processed data relates to attendance at the organised events and registration to the association. Specifically it includes:

- (a) Personal identification data: name, surname, fiscal code, date and place of birth, sex, address, telephone number and other personal details;
- (b) Personal data stipulated and admitted by Art.9 of the regulation
This includes information on food allergies and intolerances or on mobility needs of the person in question (The data will be rendered anonymous where possible)

4. Mandatory and optional data provision

Providing personal data for attending the organised events and registration to the association is not mandatory, but a refusal to provide this data may make it impossible to provide access to requested services for the events and registration or related services

5. Data processing methods

In relation to the purposes indicated, personal data is processed both electronically and on paper. Processing is carried out in such a way as to guarantee the safety and confidentiality of the data.

All data processing is carried out in accordance with Art.6 and Art.32 of the regulation with all necessary security measures adopted

6. Recipients of personal data

As part of the aforementioned purposes, personal data maybe shared with:

- all subjects to whom the right of access to such data is recognised in compliance with regulations
- our consultants, employees, local agents such that relative tasks maybe undertaken and completed
- all persons legal, public or private when communication is necessary to transfer personal data to ensure that business is conducted correctly in relation to that described above

Specifically, personal data may be disclosed to subjects operating in the following sectors:

- accommodation and hotel facilities;
- transport companies and carriers;
- gastronomy;

Only the recipient's category is specified, being subject to frequent updates and revisions. The updated list of recipients can be requested by contacting the Data Controller and Data Processor using methods indicated in Art.1 of this policy.

7. Period of retention of personal data

Data is stored at the registered offices of Rossoevolution S.r.l., in Piazza Gerusalemme 12 – 20152, Milano. Personal data will be stored for the period of time deemed necessary for the fulfilment of contractual and legal obligations connected with the provision of services and not beyond the terms established by law for the prescription of rights.

8. Rights of the interested party

If there are no restrictions to the law, the interested party has the right to:

Obtain access to personal data (Art.15), obtain the correction of inaccurate personal data or integration without undue delay (Art.16), request the cancellation of the same or where possible, that the data be anonymised (Art.17), obtain restrictions on their personal data (Art.18), take advantage of data portability (Art.19) and object to their data being processed (Art.21).

The interested party may at any time modify or remove their consent and may exercise their rights in relation to the processing of personal data or request more information by contacting the Data Controller or the Data Processor as stipulated in Art.1

Lastly, the interested party has to right to lodge a complaint with the Guarantor for the Protection of Personal Data (www.garanteprivacy.it).

By accepting this privacy policy you declare to have read the information provided / attached and expresses consent to the processing of personal data for the following purposes:

- Relating to Art. 2 point a) Registration to Italian Network for Safety in Healthcare and its initiatives, not being part of the contract;
- For data processing referred to and covered by Art.8 of the regulation;
- The processing of my personal data for a consular visa application.
